"We just wrapped up an incredible weeklong trip to New York with Note-Able, and I can't say enough good things about the experience! From the initial launch to consistent communication throughout the year as payments were collected, every detail was handled with care and professionalism. The thoughtful send-off, warm airport welcome, and top-tier guides added a personal touch that made all the difference. Excellent value, outstanding service, and truly wonderful people. Note-Able exceeded our expectations at every turn. I highly recommend them!"

Mr. Rodriguez, Director of Bands, Medina Valley HSB – NYC May 2025

"Note-Able is dedicated to **T.E.A.M.** (**T**ogether, **E**ach, **A**ccomplishes, **M**ore) Leadership excellence, by giving it everything we have with every traveling ensemble, every time.

Throughout your Note-Able Travel Experience, the **Red-Jacket Team** will be on-hand at the destination almost everywhere providing organization, structure, and logistical support so that ensemble leadership can focus on the wellbeing and creative excellence of their students. Simply put, **T.E.A.M.** is the "**Peace of Mind**" that Educators, Chaperones and Parent Boosters yearn for when planning opportunities for their students to travel and expand their horizons beyond the classroom.
